Healthy Further Education conference

19 January 2010

The Healthy Further Education programme aims to improve the health of those who study or work in the FE sector. It isn't about creating something new. It's about working with colleges to make the health and wellbeing of staff and students an integral part of all aspects of college life.

Venue:

Emirates Stadium, London

Who should attend:

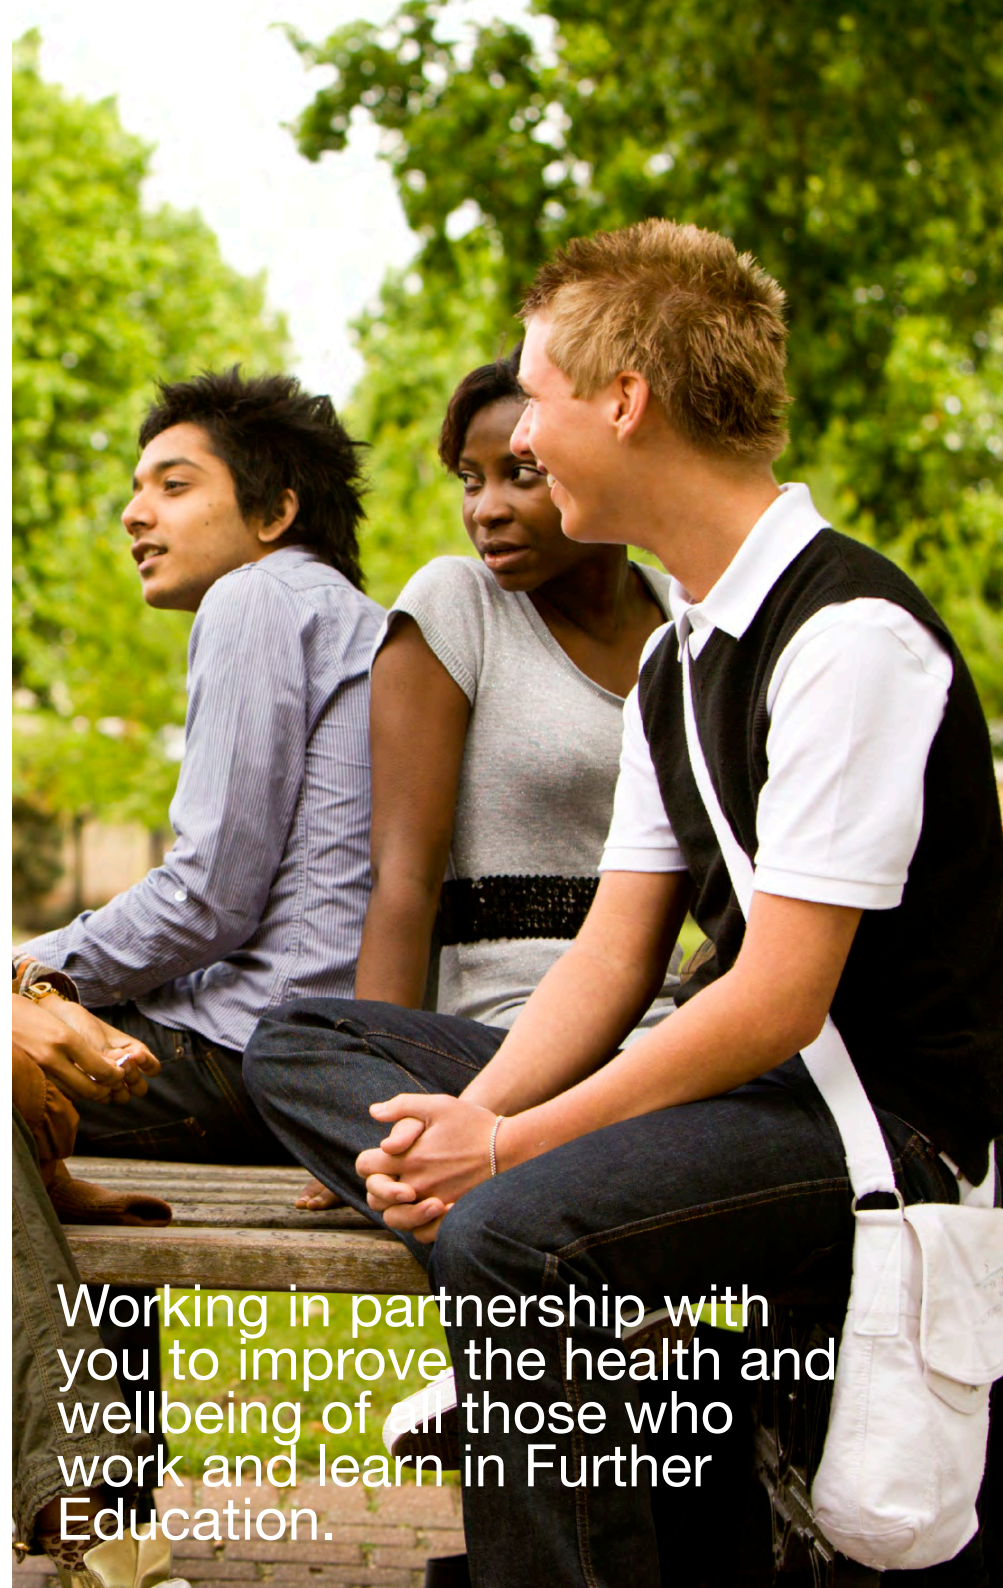

- Further Education colleges
- Primary Care Trusts and health professionals
- Local Authorities
- Partners interested in the health and wellbeing of staff and learners in FE

Cost:

£50 inc VAT per delegate

Agenda:

09.00	Registration and market place opens
09.45	Conference begins: Introduction from the chair
09.50	Testing your knowledge on health and wellbeing issues
10.00	Barnsley College case study: Polly Harrow and Barnsley PCT representative
10.40	Workshops: Round one
11.20	Refreshments
11.40	How Healthy FE can bridge the targets of health and education providers: Department of Health Representative
11.55	Healthy FE and FE Improvement Agenda: Dr David Collins CBE, CEO of LSIS
12.20	Lunch
13.50	Workshops: Round two
14.30	Setting priorities and motivating the sector: Interactive priorities session
15.10	Inspirational speaker
16.00	Conference closes

Working in partnership with you to improve the health and wellbeing of all those who work and learn in Further Education.
