Candidate appeals statement

CYQ is committed to equal opportunities, providing a fully comprehensive service to centres and candidates in the area of assessment and internal verification. CYQ aims to protect the interests of candidates at all times and offers centre the following advice:

- All candidates must be assessed against the agreed and published criteria
- Assessment decisions must be made by assessors who are trained, and have gained or are in the process of working towards the A1/A2 (D32/33) Assessor Awards or CYQ Assessing and IV Awards for the Active Leisure and Learning Sector

It is recognised that, in exceptional circumstances a candidate may wish to appeal against recommendations or decisions relating to assessment. CYQ appeals policy and procedure aims to ensure that all assessment is conducted fairly and in line with specified requirements.

NB: A copy of the CYQ appeals policy is available in this handbook and on the CYQ website.

The following procedures summarise the key points of this policy and the action that may be taken in such exceptional circumstances.

Areas for appeal

CYQ appeals policy enables candidates to make a formal appeal against a recommendation or assessment decision relating to:

- The mark or grade for an individual item of coursework for example, worksheets and case studies
- The final result of any element of assessment, (for example, planning, teaching and/or evaluation).
NB: Video evidence must accompany this appeal (see further guidance)
- The external assessment (theory paper)
- The final overall internal/external assessment decision for a qualification

Grounds for appeal

- The assessments were not conducted in accordance with the approved centre regulations
- Medical or other extenuating circumstances arising during the assessment process which affected the candidate's performance (written evidence from the assessor or GP must be provided)
- Inappropriate or irregular behaviour on the part of the Assessor

Appeals procedures

Stage one:

- Candidates should make the first appeal through the centre's appeals system via the IV/Centre Contact. If the appeal is unresolved, the candidate should be advised of the next stage for appeal

NB: The appeal should be made to the Chief Assessor or IV on the same day as the assessment. All centres accredited by Central YMCA Qualifications will have had their appeals policies and procedures formally approved, a copy of which should be made accessible to the candidate at induction.

Stage two:

- The centre should contact the EV. If the EV is not present or is unable to resolve the appeal issue, the candidate should be directed to the third stage of the appeals process

Stage three:

- A written appeal should be made by the candidate directly to the CYQ Lead Verifier. The Lead Verifier will investigate the matter thoroughly and respond in writing within 21 working days

NB: In extreme circumstances, when the candidate feels that the Lead Verifier has been unable to bring the matter to a satisfactory conclusion, the matter may be referred directly to the Director of CYQ, the fourth stage of appeal. Any evidence in writing, in person or by telephone may be requested from the candidate during this time.

Stage four:

- The candidate may be offered a formal appeals hearing. This will be conducted within six weeks and will be conducted by the appeals panel comprising:
 - An independent appeals board member
 - The Director of CYQ
 - The Lead Verifier of CYQ
 - A Senior Management representative from the centre
 - A chairperson employed by CYQ

NB: Provision of an appeals hearing will incur a nominal fee. The fee will be refunded if the appeal is upheld. Please refer to the CYQ Qualifications and Fees Guide. If the appeal is upheld candidates may receive an opportunity to re-take the assessment free of charge.

Candidate appeals - Further guidance for centres

Centre appeals procedures should inform candidates of both the centre and CYQ appeals procedures. CYQ advises centres to ensure candidates are informed about the following:

- It is extremely difficult to investigate appeals without impartial evidence. Therefore appeals against referrals in practical teaching based solely on the candidate's disagreement with the Assessor's decision will only be considered when accompanied by a DVD/VHS video
- The candidate has the right to video any aspect of their assessment using their own DVD/VHS video equipment provided it does not interfere with the assessment process, other candidates or the assessor's ability to carry out their role(s)
- It is the responsibility of the candidate to arrange a video operator
- It is the responsibility of the candidate to notify the Centre where their assessment is taking place of any medical problem which may affect student performance adversely in the assessment process, so that a decision can be made for deferral, prior to the assessment date
- Theory papers that are externally assessed by CYQ are marked electronically and sampled regularly
- Appeals against referrals in the external theory result can result in the following action:
 - Investigation into the centre's invigilation procedures/delivery
 - Hand marking of the theory papers
 - Investigation into the content of the theory paper by the CYQ Quality Manager

Notification of appeals

Written notification of Appeals must be received by CYQ within 20 working days (Monday-Friday excluding Bank Holidays) from the time of the candidate's receipt of Assessor's decision.
